Gathering and uniting communities. Honoring Veterans • Educating Generations.

WWII stories of valor share the rich history of our
Greatest Generation in the B-17 Alliance Museum.

This B-17G, the Lacey Lady is the centerpiece for superb education that inspires community from the personal experiences of our Greatest Generation.

12,731 B-17s were built from 1936 -1945. Less than 50 remain in the world.

The Lacey Lady has the lowest air miles of any B-17 in the world.

She, the Lacey Lady is one of less than 10 remaining B-17s capable of flying again.
